Chief, Plans and Programs Staff, OL

FROM:
Assistant Executive Officer, OL

SUBJECT: Notes on Logistics Planning Conference
30 July - 1 August 1980

Attached are the notes on the Logistics Planning Conference. While the notes are not accurate minutes of the conference, they address the major points of conference attendees. It was felt that all the major points of discussion should be included; therefore, the notes are lengthy. The notes should be valuable when developing the FY-81 objectives. If there is a need for clarification of any of the points of discussion, I have the original notes that were taken at the conference.
